General Rules

No person shall handle exhibits without the permission of the handlers in charge of the department. Exhibitors must sign a release form before leaving with their entry. These rules will be strictly enforced.

After receipt of all entries by Sunday 5:00 P.M., building will be open 11:00 a.m. to 9:00 p.m., Friday, Saturday & Sunday. 12:00 p.m. to 9:00 p.m. Monday thru Thursday.

1. **Entries will be received until such time as the cooping capacity is reached.**
2. Only entered listed specimens will be accepted.
3. Entered specimens will be received on, Saturday, September 8 from 10:00 A.M. to 8:00 P.M. and on Sunday, September 9 from 10:00 A.M. to 5:00 P.M.. Entries released Sunday, September 16 from 4:00 P.M. to 8:00 P.M.

USE GATE #'s 5 & 8**Philadelphia and Highland Avenues for Entrance**

4. **Applications and fees for entries will be received in person, by mail or online at the office of the Society, 334 Carlisle Ave., York, PA 17404. Checks or money orders payable to the York County Agricultural Society.**
5. Exhibitors whose entry fees are less than **\$3.00** will receive two admission tickets. Those whose entry fees **are \$3.00** or more will receive a ticket for car and driver for the day entries are received, plus two admission tickets. If it is necessary to remove the entries before Sunday, September 16 an additional car and driver ticket may be obtained from the department office **with prior approval of the superintendent.**
6. Judging starts Monday, September 10, at 10:00 A.M. for pigeons and 11:00 A.M. for rabbits, cavies and poultry.
7. Efforts will be made to coop singly. Right is reserved to place in one coop more than one bird of the same variety if owned by the same exhibitor.
8. The American Standard of Perfection issued by the American Poultry Association will govern poultry judging.
9. A bird or animal can only compete for one prize, except as provided for in special awards.
10. A judge shall not officiate in a class where he has an entry. Collusion between a judge and exhibitor will exclude from competition and awards all entries of the offending exhibitor. Exhibitor's protest relative to such exclusion must be in writing.
11. Specimens are entered at the sole risk of the owner. The Management will take the greatest possible care of all exhibits but will not be responsible for accident, mistake, loss or damage thereto. All entries will be watered, fed and cared for by competent employees.
12. Entered specimens must be bona fide property of exhibitor.
13. Entries showing physical evidence of transmissible disease will be excluded from the show. During the continuance of the show, all entries will be examined carefully each day. Entries showing signs of disease will be segregated and properly cared for or returned to the owner at his expense.
14. All specimens are to be exhibited in their natural condition except Games and Game Bantams, which are to be dubbed in accordance with A.P.A. and A.B.A. rules.
15. Substitutions will be permitted before closing date of the entries. No substitutions will be permitted after closing date of entries unless of the same breed, variety and sex.
16. Names, distinctive marks, advertising or decorations will not be permitted until all judging and awards are completed in that department, i.e., poultry, pigeon, or rabbit & cavy department.
17. Animals and birds will be handled only by the judge or authorized Fair Official.
18. Entries will be accepted and premiums paid only on breeds, varieties and colors listed in the York Fair Premium book and will be awarded only on animals or birds exhibited in their proper classes.
19. In the absence of a protest, which must be in writing, the decision of the judges will be final.
20. Premiums will be paid only on awards indicated by judges' records.
21. Exhibits may be removed 4:00 to 9:00 P.M., Sunday, September 16. Removal of animals prior to this time will result in the forfeiture of awards unless prior approval is received from the building superintendent.
22. Any contingency that may arise and is not covered by these rules will be adjusted by the Department Superintendent whose action will be final.
23. **Health Requirements for Poultry & Pigeons**

DEPARTMENT 8

POULTRY

Section 13: Pennsylvania Poultry, Including Chickens, Turkeys, Waterfowl, Upland Game Birds, Ratites and Pigeons/doves, and Hatching Eggs

Requirements:

1. All Pennsylvania poultry, including chickens, turkeys, waterfowl, and upland game birds entering an exhibition must bear an official PDA-issued crimp style or butt end style leg band. Ratites must be identified with a neck band or an electronic implant device (the exhibitor must supply a reader). Pigeons and doves must bear a unique individual identification leg band but do not have to be identified with an official PDA leg band.
2. An Owner-endorsed Poultry Health Certificate or a Certificate of Veterinary Inspection (health chart or CVI) must accompany all Pennsylvania poultry, including chickens, turkeys, waterfowl, upland game birds, and ratites; and pigeons/doves; and hatching eggs. The certificate must include the following:
 - Name and location of exhibition; and
 - Name, address, and telephone number of the owner; and
 - A statement that the entries and the flock of origin are free of evidence of infectious and contagious diseases; and
 - Owner signature and date of that signature.
3. **Avian Influenza Testing and Verification:** All samples must be collected by a Certified Poultry Technician or a Category II Accredited Veterinarian:
 - All poultry, including chickens, turkeys, waterfowl, upland game birds, and ratites, (pigeons/doves excluded), and their hatching eggs for exhibition must originate from a flock in which a random, representative sample of a minimum of 30 birds, 3 weeks of age or older, were tested for avian influenza within the **30** days prior to opening date of the exhibition. The birds or hatching eggs must be accompanied by the most recent test report (copy acceptable). Test results must be negative. If there are fewer than 30 birds in the flock, test all birds. For waterfowl, cloacal swab samples must be collected for testing instead of blood samples, and the swabs may be tested using PCR techniques. Swabs from geese and ducks may not be combined in the same tube for testing. Untested birds shall not be comingled with or added to the tested flock after negative samples have been collected and before the show.
4. **Pullorum-typhoid Testing and Verification** (pigeons/doves and waterfowl excluded for exhibition). All samples must be collected by a Certified Poultry Technician or a Category II Accredited Veterinarian.
 - Poultry, including chickens, turkeys, upland game birds and ratites (waterfowl excluded) and their hatching eggs must originate from a flock in good standing on the NPIP Pullorum-typhoid Clean Program (and there was no break in the chain of ownership by NPIP participants) or from a flock in good standing on the PA Pullorum Equivalent Program. The birds or hatching eggs must be accompanied by the most recent test report (copy acceptable). Test results must be negative. If the rapid whole-blood plate agglutination test was done, the most recent NPIP 9-2 form or state equivalent form must accompany the birds or hatching eggs (copy acceptable). Test results must be negative. If birds are less than one year of age and originate from an NPIP Clean hatchery, they do not have to be tested for pullorum-typhoid if they are accompanied by an NPIP 9-3 form from that hatchery and any additions to the flock were also from NPIP Clean sources. The NPIP number must be noted on the report for NPIP Pullorum-typhoid Clean flocks;

OR

- All individual birds (pigeons/doves and waterfowl excluded) for exhibition (maximum of 300) must have had a pullorum-typhoid test within the 90 days prior to the opening date of the exhibition. The birds must be accompanied by the most recent test report, or state equivalent form for the rapid test (copies acceptable). Test results must be negative. The following age restrictions apply:
 - Chickens shall be tested at 4 months of age or older.
 - Turkeys shall be tested at 12 weeks of age or older.
 - Game birds shall be tested at 4 months of age or older, or upon sexual maturity, whichever comes first.
 - Ratites shall be tested at 12 months of age or older.
 - All birds not meeting these age restrictions at the time of sampling are exempt from pullorum-typhoid testing requirements.

Section 14: Out of State Poultry, Including Chickens, Turkeys, Waterfowl, Upland Game Birds, Ratites, Pigeons/doves and Hatching Eggs

Requirements:

1. All poultry, including chickens, turkeys, waterfowl and upland game birds entering an exhibition must bear an official leg band issued by the state or country of origin.
2. Ratites must be identified with a neck band or an electronic implant device (the exhibitor must supply a reader). Pigeons and doves must bear a unique individual identification leg band but do not have to be identified with an official state leg band.
3. An Owner-endorsed Poultry Health Certificate or a Certificate of Veterinary Inspection (health chart or CVI) must accompany all poultry, including chickens, turkeys, waterfowl, upland game birds, and ratites; and pigeons/doves; and hatching eggs. The certificate must include the following:
 - Name and location of exhibition; and
 - Name, address, and telephone number of the owner; and
 - A statement that the entries and the flock of origin are free of evidence of infectious and contagious diseases; and
 - Owner signature and date of that signature.
4. **Avian Influenza Testing and Verification:** All samples must be collected by a Certified Poultry Technician or a Category II Accredited Veterinarian. All poultry, including chickens, turkeys, waterfowl, upland game birds, and ratites, (pigeons/doves excluded), and their hatching eggs must originate from a flock in which a random, representative sample of a minimum of 30 birds, 3 weeks of age or older, were tested for avian influenza within the **30** days prior to the opening date of the exhibition. The birds or hatching eggs must be accompanied by the most recent test report (copy acceptable). Test results must be negative. If there are fewer than 30 birds in the flock, test all birds. For waterfowl, cloacal swab samples must be collected for testing, and the swabs may be tested using PCR techniques. Swabs from geese and ducks may not be combined in the same tube for testing. Untested birds shall not be comingled with or added to the tested flock after negative samples have been collected and before the show.
5. **Pullorum-typhoid Testing and Verification** (pigeons/doves excluded): All samples must be collected by a Certified Poultry Technician or a Category II Accredited Veterinarian.
 - All poultry, including upland chickens, turkeys, upland game birds, waterfowl, and ratites (*pigeons/doves excluded*) and hatching eggs must come from NPIP Pullorum-typhoid Clean flocks in good standing with the program (and there was no break in the chain of ownership by NPIP participants) and the birds must be accompanied by an NPIP 9-3 form;

OR

- All individual birds (*pigeons/doves excluded*) (maximum of 300) must have had a negative pullorum-typhoid test within the 30 days prior to the opening date of the exhibition. The birds must be accompanied by the most recent test report (copy acceptable). Test results must be negative. If the rapid whole-blood plate agglutination test was done, the most recent NPIP 9-2 form must accompany the birds (copy acceptable). Test results must be negative. The following age restrictions apply to comply with NPIP standards:
 - Chickens shall be tested at 4 months of age or older.
 - Turkeys shall be tested at 12 weeks of age or older.
 - Game birds shall be tested at 4 months of age or older, or upon sexual maturity, whichever comes first.
 - Ratites shall be tested at 12 months of age or older.
 - Waterfowl shall be tested at 4 months of age or older.
 - All birds not meeting these age restrictions at the time of sampling must come from a flock in which all the eligible birds in the flock (up to 300) have been test negative within the 30 days prior to the opening date of the exhibition.

Section 15: Pennsylvania Rabbits

Requirements:

The Department of Agriculture has no specific requirements for Pennsylvania rabbits at fairs. However, fair management has the authority to impose requirements designed to prevent the spread of contagious diseases.

Recommendations:

- 1. A Certificate of Veterinary Inspection (CVI) issued after May 1, 2018
2. All animals must be free of evidence of infectious and contagious diseases.

Section 16: Out of State Rabbits

Requirements:

The Department of Agriculture has no specific requirements for out of state rabbits at fairs. However, fair management has the authority to impose requirements designed to prevent the spread of contagious diseases.

Recommendations:

- 1. A Certificate of Veterinary Inspection (CVI) issued within 30 days prior to the date of importation.
2. A statement on the CVI attesting that all rabbits listed on the CVI are free of signs of infectious and contagious disease

Youth Meat Turkey Competition and Compliance Statement

This year the York Fair will be holding a meat turkey competition as part of its fair scheduling. The top competitors will be included in the youth livestock sale to be held Saturday, September 15th at 11:00 A.M.

Rules for competing are as follows.

- A. Each competitor is limited to one turkey entry and must be a 4-H or FFA member.
- B. The turkey should be a minimum of 4 months old and no older than 6 months. Turkey poults will be supplied by the poultry superintendent to be of the same age if notified of the intent to enter the competition.
- C. Youth exhibitors must be the sole owner and raiser of the turkey.
- D. Owners must notify the York Fair and their local 4-H leader or FFA advisor of their intent to enter a turkey.
- E. An entry form must be sent to the York Fair or submitted online by August 1, 2018, along with the correct entry fee.
- F. All turkeys must have an official state leg band, and have met state testing requirements.
- G. A compliance statement must be brought with the turkey submitted. All entries must be within the guidelines as presented above.
- H. Exhibitors must have their turkey entered by the deadline to be weighed and in place for judging. Judging will be done by an APA licensed judge.
- I. The champion and reserve champion turkeys will be auctioned off as part of the youth livestock auction to be held on Saturday, September 15, starting at 11:00 A.M. The youth must be present to present their turkey for sale.

By signing below you are stating that your entries are all in compliance with all rules as listed above.
